

# **SPONSORSHIP PROSPECTUS FOSTER FAMILY CONFERENCE**

---

APRIL 11-12, 2023 | GREAT WOLF LODGE

## **Spark Something Great**

## A Note from DCCCA Chief Child Welfare Officer- Jeanette Owens

*The smallest spark can become the greatest light.*

Burnout is a reality for many foster parents. Meeting the every-day demands of children in their care can take its toll. At DCCCA our mission is to support foster families, to strengthen them, as well as making sure they have the tools they need to support kids in the difficult journey of foster care.

The theme for our 3rd annual Foster Family Conference, April 11th and 12th, 2023, is Spark Something Great. With well-known speakers, waterpark activities, delicious food and time for family relaxation, this conference will be a chance for foster families to rekindle the spark they have for foster care and continue to move forward with this necessary work.

During our first Foster Family Conference, one young boy stated that he didn't know that there were other kids like him and that it was nice to know there are others that understand what he is going through. Partnering with DCCCA allows our services to go further and to strengthen more families. This event is an invaluable opportunity to be a part of improving lives.

We offer a range of sponsorship opportunities to suit your needs outlined in the prospectus.

*"This was the first family vacation that our foster son has ever been able to attend. He has autism, and it is very hard to go places like this with him. He had a lot of anxiety before and during the trip, but on the way home he just kept repeating how that was the best vacation ever and how much fun he had. It was great to be able to leave him with DCCCA staff that I knew understood his special needs and would take good care of him!"*

*"I loved being able to get quality training hours done in just a couple of days. It was also incredible to have childcare provided in such a fun environment!"*
