Kansas Opioid and Stimulant Conference

In 2026, DCCCA is celebrating 10 years of hosting the Kansas Opioid and Stimulant Conference! We have hosted the Kansas Opioid and Stimulant Conference in collaboration with the Kansas Prescription Drug and Opioid Advisory Committee, Kansas Department for Aging and Disability Services, and Kansas Department of Health and Environment since 2017. Since that time, we have focused on ways to engage community partners to respond to the growing crisis proactively and collaboratively. We want people to leave our conference feeling informed and empowered to make an impact in their communities. Year after year we have received participant feedback affirming our goals of collaboration, education and empowerment.

We have built on the success of the first conference and have increased our attendance each year with individuals sharing their expertise and learning from others at our event. On the 10th anniversary of the Kansas Opioid and Stimulant Conference, DCCCA is focused on bringing top experts in the opioid crisis field to share best practices in emerging trends, prevention, health systems and prescribers, public safety and first responders, and treatment and recovery to ensure Kansas has the tools needed to save lives and prevent overdose death.

DCCCA is thrilled to host the 2026 Kansas Opioid and Stimulant Conference on November 3rd at the Hyatt Regency in Wichita. We are seeking partnerships to make 2026 our best conference yet! We invite you to engage with this dynamic conference as a sponsor. We have a variety of opportunities for sponsorship outlined in the prospectus and welcome additional conversations if you have ideas about how you would like to connect with the event.

Join us in making the 10th Annual Kansas Opioid and Stimulant Conference a cutting-edge event to remember! We look forward to collaborating with you.
