

DCCCA

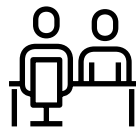

Douglas County Peer-Led Detox Program

DCCCA Peer Support Services engage those in need of social detox. These services include an initial phone screening, in-person meeting, and if appropriate, a referral to a detox facility, including transportation to and from the facility.

PEER LED

Kansas Certified Peer Mentors. Peers are people with experience in long-term recovery. Peer Mentors provide emotional support, information support, instructional support, and companionship.

SERVICES

- Initial phone call
- Brief screening
- Detox phone screening and peer will meet you in the community within 30 minutes of completing the screening process

TRANSPORTATION

No cost transportation provided to and from the detox center. This includes any belongings or medications necessary for detox program completion.

FOLLOW UP

- Peer follows up with detox facility
- Ensures Alcohol/Drug Assessment is administered
- Assistance with community resources and coordinating treatment after detox

Monday through Saturday, 8am to 10pm
