HARVESTING HOPE

SEPTEMBER 16, 2021 | LAWRENCE, KS

A Note from the CEO

While our world was collectively facing a global pandemic last year, the need for DCCCA services was greater than ever before. We continued to see women and their children need our services as these mothers struggled with addiction, mental health challenges, scarcity of resources and dwindling hope. DCCCA was able to continue to serve those who needed us and now, as we turn toward the future, we do so with a commitment to build on what we've learned and serve more people in need.

We are excited to announce that we are holding **Harvesting Hope** on Thursday, September 16 from 5:30 - 7:30 p.m. This gathering will feature delicious food, music, tours of the First Step at Lake View facility, remarks from our clients and Board President, and a kick-off to our campaign **Improving Lives...Close to Home**, a transitional housing program that will be built at the site.

It is an exciting time to partner with DCCCA, and to truly make a difference to so many people who need our services. We hope you'll join us as we continue to expand awareness about DCCCA's programs in our community and the life-saving impact we have on those we serve.

This event is an invaluable opportunity to build awareness for your brand among an audience of Douglas County citizens committed to improving lives.

We offer a range of sponsorship opportunities to suit your needs outlined in the prospectus.

Don't fit in a box? We're excited to work with our sponsors to come up with tailored solutions to connect you with our guests. Contact us to discuss your needs!

On behalf of the entire DCCCA team, I hope you'll choose to partner with us for **Harvesting Hope**.

Sincerely,

Lou B. Alvarado
