

PREVENTION RESOURCES TOOLKITS

The Kansas Prevention Collaborative and DCCCA have created a variety of free toolkits that are available to all communities and coalitions working with prevention. The toolkits are generally 2-5 pages offering a brief look at a topic that is directly related to the work of coalitions. Many of the toolkits are available in both English and Spanish.

The Prevention Resources Toolkits can be located with this link: <https://ispri.ng/B6XgG>. Each toolkit can be accessed directly with the link listed below.

STRATEGIC PREVENTION FRAMEWORK TOOLKIT SERIES

The Strategic Prevention Framework is an ongoing process created to guide coalitions to plan, implement and evaluate prevention efforts for their communities. The entire process is continuous and flowing, every step is vital to the overarching goals of the coalition. Each toolkit in this series looks at a different step of the Strategic Prevention Framework and one that provides an overview of the entire Strategic Prevention Framework process.
